#### SEED CHALLENGE POLICY - 18s DIVISION ONLY

A written request for a seed adjustment must be submitted to CEVA by the posted deadline. Requests submitted after the deadline are not considered.

Seeds may be adjusted based on information provided to the Junior Girls' Committee by the club director, and/or from results in the current season.

Requests for seed adjustments within the same Qualifier division are not considered. A request for a seed adjustment is only considered for a team requesting to move from one Qualifier division to another.

The Junior Girls' Committee reserves the right to review results and move teams they feel have been seeded inaccurately even if a seed challenge hasn't been submitted.

Seeding decisions made by the Junior Girls' Committee after the seed adjustment process are final.
